

MAKE SAFE HAPPEN[®]

My Home Fire Drill

Example:

Ask a grown-up to help you draw your plan.

- Draw a floor plan of your home; show all doors and windows
- Mark two ways out of each room
- Mark all of the smoke alarms with “SA”; smoke alarms should be in each sleeping room, near each sleeping area and on every level of your home
- Choose a meeting place outside and away from the house
- Remember to practice your plan at least twice a year; the goal should be to get out in less than 2 minutes
